PartnershipsInAction | Walk

A Better World is Within Walking Distance

ATLANTA • CHICAGO • DALLAS • HOUSTON • LOS ANGELES

An initiative of Aga Khan Foundation U.S.A.
and its volunteers in communities across America

2008 THEME: PLANTING OUR FUTURE

Our 2008 PartnershipsInAction theme, "Planting Our Future" spotlights the extraordinary success, expansion and impact of Aga Khan Foundation's rural support programs which have benefited 12 million people worldwide in over 8,400 village organizations.

Partnership Walk provides an exciting opportunity for Americans to **make a difference** and unite together to **raise awareness and funds** to help end global poverty.

Since 1995, **40 Partnership Walks** have been held across the USA in Atlanta, Chicago, Dallas, Houston and Los Angeles, attracting **239,000 participants and raising over \$28 million.**

100% of the funds raised at Partnership Walk go directly to projects supported by the Foundation. Not a cent is spent on administration.

Partnership Walk features:

- Live entertainment and ethnic food celebrating cultural diversity
- *Village in Action* showcasing progress through partnerships in Asia and Africa
- Celebrities and leaders committed to building a safer world.
- Engaging activities, excitement and fun for everyone!
