

**BY THE TIME YOUR STUDENTS REACH
HIGH SCHOOL THEY CAN READ.
OR CAN THEY?**

25% of secondary students are struggling readers.
Let **SEDL** help you build their skills.

Building Reading Proficiency at the Secondary School Level: A Guide to Resources

Reviews research findings on building reading proficiency at the secondary level and describes resources for classroom instruction.

Preview this book at www.sedl.org/pubs/catalog/items/read16.html then contact SEDL to order your copy. Refer to code 0301. For other SEDL resources and products, visit www.sedl.org/pubs/.

“

...Building Reading Proficiency is a great summary of what is available and provides good documentation of strengths and weaknesses [of resources].

--- Marsha Goldberg, Parent Resource Center, Fairfax County Public Schools
